

Orleans-Niagara BOCES VOTE-COPE Drive

Never before have those connected with schools been so under attack in New York State. Our detractors are trying to convince the public that there is no other explanation when children don't do well in school other than a failing in their school's personnel.

Today we are being asked to take a stand and say: YES! I want to be supportive of NYSUT's political action efforts to save funding for public education and to preserve important features of our jobs such as tenure, pensions, TRIBOROUGH PROTECTIONS and our right to bargain collectively.

Huge corporate interests, exemplified by the Koch Brothers, outspend unions 15-1 in the political arena. Realistically, NYSUT's legislative department cannot do the extraordinary work it does on our behalf without increased VOTE-COPE contributions from many locals. In Orleans-Niagara BOCES, **only HALF of our members contribute** to this vital fund that works for every one of us. Everyone needs to do their part.
